RE: Acquisition of Non-Revenue Vehicles - Chevrolet Colorados (2)

Background:

The Southeastern Regional Transit Authority (SRTA) is responsible for public transit services in ten (10) communities within the Southeastern Massachusetts region, and is funded with Federal, State, and local subsidies, as well as farebox revenue. The SRTA was created pursuant to Commonwealth of Massachusetts General Laws, Chapter 161B, and thus is considered a political subdivision of the Commonwealth of Massachusetts. The SRTA is required to comply with the mandates of the Americans with Disabilities Act (ADA), as are the entities with which it contracts for transit.

The resultant contract is subject to financial assistance contracts between the SRTA and the U.S. Department of Transportation (DOT), Federal Transit Administration (FTA) and Massachusetts Department of Transportation (MA DOT). As such, all Contractors must comply with all applicable Equal Employment Opportunity laws and regulations.

This agreement is subject to any applicable guidelines for project administration issued by the Federal Transit Administration of the Department of Transportation of the U.S. Government and all other applicable laws, rules, and regulations. The SRTA reserves the right to reject any all proposals, or any part of any proposal that the SRTA deems it in its best interest to do so.
